Stuart Tigers On Blue Devils' List

The Pahokee Blue Devils, still in the first division of the Suncoast Conference race, will battle the Stuart Tigers at Stuart tonight and local fans are wondering if Coach Web Bell's men will have the power and luck to upset the highly rated Tigers who at the present time are tied with Pompano for second place in the league. In conference games Stuart has a 3-1-1 record to date after deadlocking Pompano in a scoreless tie and being nicked by Vero Beach, 14-13. Within the conference Pahokee has a 2-1-0 record, losing to the Fort Pierce Eagles, 20-0, the week following the 20-7 lacing the Stuart Tigers gave the Eagles. Against another common foe, however, the two teams fared about the same. Stuart defeated Seacrest by a score of 20 to 7 while the Blue Devils won from Seahawks 19-3.

Outside the conference in Okeechobee last week the Blue Devils literally had a fight on their hands in defeating the Brahmins, 26-7. After the Brahmins forged ahead with 7 points early in the second period, the Blue Devils came roaring back with four touchdowns in the next 10 minutes.

Quarterback Richard Shackford tossed a six-yard pass to Wayne Unwin for the first TD and recovered his own fumble in the Okeechobee end zone for the third. Richard Weeks ran 17 yards through tight tackle for Pahokee's second TD and sprinted 57 yards during the first minute of the third quarter for the Blue Devils' fourth and final touchdown of the game. The two conversions were made by Alvy Early and Wayne Unwin in passes from Shackford.

That finished the scoring for the evening—the rest was mostly "roughhouse" and penalties.

Luke Fraser Named Branch President

L. J. (Luke) Fraser, vice president and general manager of W. H. Vann, Inc., was elected Saturday night to be the new president of the Everglades Branch of the United Fresh Fruit and Vegetable Association. The annual business and social gathering of the group was held at the Colony Hotel in Palm Beach.

Others elected during the business session were: Owen Todd of the Chastain Company as Secretary-Treasurer. George Wedgworth of Wedgworth's in Belle Glade was chosen as vice president. Wives of the members were invited for the social session of the meeting which followed the business meeting.

Florida's new grapefruit crop is one of the "finest looking in several seasons, with plenty of well-shaped fruit," according to Robert W. Rutledge, general manager of Florida Citrus Mutual.

Brevard County was established in 1844 and is one of 17 counties in the Central and Southern Florida Flood Control District.

In Attendance At Glades Armory Dedication On Sunday

The handsome new \$196,000 Glades Armory was dedicated at Belle Glade in special ceremonies on Sunday with a large number of Glades residents and National Guard dignitaries in attendance. The National Guard unit in the Glades was activated in 1948 and has been an active unit since that date. It is now under the command of Lt. Jowell Bass of Belle Glade. Shown in the picture which was taken on the front steps of the Armory are: Pahokee Mayor F. S. Parrish, Belle Glade Mayor W. S. Evans, Belle Glade Councilman Robert W. Lander, General Mark W. Lahoe who made the dedicatory address, County Commissioner Paul Rardin who was master of ceremonies and gave the welcome address, Lt. Jowell Bass, County Commission Vice Chairman Roy Michael, Jr., and State Representative Emmett O. Roberts of Belle Glade. Money to build the beautiful structure was furnished by the federal and state governments, City of Belle Glade and Palm Beach County.

Revival Ends And Is Called Success

The revival at Canal Point Baptist church ended Sunday night and has been pronounced a success by church officials. Rev. Hoke Shirley, interim pastor in Orlando, was the preacher bringing the nightly messages. Music was under the direction of Mr. and Mrs. Martin Bradley of Nashville, Tenn. While here the Bradleys were guests in the home of Rev. and Mrs. Charles D. Stewart. Mrs. Bradley is their daughter.

Wiley Tillis Has 2 Contracts Going

Wiley Tillis, former deluxe baker turned contractor, has two buildings under construction in Pahokee and being kept busy in his newly chosen line. Just recently the Tillis workmen erected a handsome new building to be occupied by Harry Waldschlager's clothing and variety store on Belle Glade road in Pahokee.

In the Waldschlager building and the rooming house just to the rear there is a total of 4,000 square feet of floor space, Mr. Tillis said.

Under construction also is the new building for Minter Collins' Badcock Furniture store in Pahokee. The old furniture store has been moved to the back of the lot and a new structure 53x75 feet is being built on the front which will give Minter and his concern ample room for operation.

Box Supper Is Set By C. P. Lions For Monday, Nov. 11th

Members of the Canal Point Lions Club at the dinner meeting Monday night voted to hold their old-fashioned box social in the Community Building Monday, Nov. 11, starting at 7 p. m. John A. Duany will serve as auctioneer and master of ceremonies. Special music and other entertainment will be under the direction of a committee composed of Osceola Upthegrove, M. G. Martin, Jr., and Stanley Hooks.

Plans were discussed for the club's annual Thanksgiving Turkey Shoot which will be held on the levee at Canal Point on the afternoons of Nov. 25 and 27 from 3 to 6 o'clock. Awards at the shoot will consist of fresh frozen, oven-ready turkeys. President J. W. Repper named on the committee in charge of this project Albert Fremd, Stanley Hooks, Alton Jones, J. G. Weeks, M. M. Martain, Jr., and Grady Boynton.

It was announced Lions District Governor W. E. Edwards, Jr., of Miami Beach will pay an official visit to the club on Nov. 18.

ATTENDANCE CONFERENCE

State Agricultural Stabilization Conference was held in Miami Beach this week and attendance was large from all over the state. Many fine speeches were heard by those in attendance. A. R. Harrington of Canal Point and Frank Anderson of Belle Glade, county committeemen, were in attendance.

Closing Machine For Crates At Vann's

The first fully automatic wire bound bean crate closing machine in Florida is in operation at W. H. Vann, Inc., packing house in Pahokee. The machine was installed several days ago and is doing an excellent job of closing boxes. Like machines are in use in the citrus and tomato raising centers of Florida.

Blanton and Unwin Busy Contractors

J. C. Blanton and David Unwin, who make up the Blanton and Unwin Contracting concern in Pahokee, are busy boys these days. At present they have three jobs going full tilt. They are building Carl Mindlin's new Big Lake Store in Pahokee on contract in the neighborhood of \$35,000.00.

They also have the new Shaw Brothers service station in Pahokee under contract and work is proceeding nicely. The contract was \$33,000.00. The new station is located at the intersection of Rardin Avenue and Bacon Point Road across from the First Baptist Church. They will also do the job of enlarging Florida Highway Patrol headquarters on US441 in Pahokee. This is a small contract, Mr. Blanton said. The same contractors just recently completed erection of the new Lake Liguors building on Main street in Pahokee for Joe Kahn.

Parking Meters Up To Voters In May

The Pahokee City Council in regular session Monday night with all members present voted to purchase from Dr. Charles E. Creel a parcel of land approximately 75 by 130 feet adjoining the waterworks plant on the northeast for the expansion of the plant if and when needed. The price was \$4,000, with the city to assume title transfer costs. Councilman Edgar Wilder voted against the purchase.

After hearing arguments for and against the installation of parking meters in the business section as a means of solving the parking problem the Council decided to let the residents express themselves in this controversial matter in a referendum vote on the meter installation at the next city election in May. The Council's vote was split in this action, with Hatton, Meredith and Boe voting for the referendum, while Wilder and Tucker voted against it.

In condemnation proceedings against dilapidated building in the Negro section the Council, after hearing testimony from Building Inspector Frank Thompson and J. C. Blanton, local building contractor, that two buildings owned by Gracie Lowe McKnight and Charlie and Ella Jenkins were unrepairable and dangerous to the health, safety and welfare of the public, ordered both buildings be vacated by Nov. 11 and torn down within 45 days.

Dr. and Mrs. L. W. Armstrong through their attorney served written notice that they are filing claims for damages against the city for losses sustained by them in the moving of two buildings last August because of an error in information in zoning requirements for the buildings they say was (continued on page 8)

Funeral Services For Mrs. Kingsley

Funeral services were held Thursday afternoon at the Canal Point Methodist church with Rev. L. A. Sparks officiating for Mrs. George Kingsley, 69, long time resident of Canal Point who passed away in a West Palm Beach hospital Tuesday after an extended illness. Burial will be made in Louisville, Ky. Mr. Kingsley left today with the body by train for that city.

A resident of Canal Point since 1932, she came from New York City. She was a member of the Canal Point Methodist Church.

Survivors include her husband, George Kingsley of Canal Point; a brother, Gregory Collier of Prospect, Ky., and two sisters, Miss Mary C. Collier and Miss Elizabeth Collier, both of Prospect.

A total of 28 truck drivers employed by Winn-Dixie Super Markets have driven a total of 145 years without accident, covering 4,500,000 miles of highways driving between the chain's Kwik Chek food markets.

Mr. and Mrs. Bob Mobley have as guests her parents, Mr. and Mrs. W. P. Conway of Atlanta, Ga.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

A resolution transferring title of Palm Beach County's Phipps Ocean Park to the Town of Palm Beach, was adopted Monday by the county board.

The resolution set out that the park is located within the municipal limits of Palm Beach and that the town has police powers in the park.

It further stated that it was in the best interests of the people in the county, that funds budgeted for maintenance of the park could be used to a greater advantage in recreational areas outside municipal limits.

The commission some time ago offered control of Phipps Park to Palm Beach and Foster Memorial Park to the town of Riviera Beach. Riviera Beach councilmen still have the county's offer under consideration.

Robert Nicholas, Riviera Beach, who asked the county commission to refund court costs which Nicholas said he paid to a justice of peace court on a traffic count, this week asked that the matter be dropped.

Previously the commission had been advised that it was without authority to refund the court costs.

The county's project of assigning house numbers to residents in urban and rural areas is well underway according to a report received this week by the board.

Walter Estabrook, retired postal

employee, who is carrying out the project for the county, said from 60 to 100 householders are being assigned numbers daily.

The only trouble with the system, Estabrook said, is that the householders fail to post their numbers.

Under the procedure being followed, houses are given numbers and the owners are responsible for putting the numbers on mail boxes or some other location where they can be seen from the street.

The commission emphasized that at present the project is a county undertaking and will not be adopted by the postal department until the project is complete and all numbers assigned.

In other actions this week the commission:

Decided to ask West Palm Beach to install parking meters along the east side of an alley adjacent to the court house.

Turned down a second request from the State Chamber of Commerce asking the county to put up an exhibit in the group's Jacksonville office.

Released \$8,500 to the county fair association to pay for moving a chain link fence from John Prince Park to a new fair ground on State Road 80.

Voted to meet with State Road Department officials to discuss resurfacing U. S. Highway 1 in West Palm Beach from Clematis St. south to Nottingham Blvd.

Cinematic Chatter

By Malcolm Millar

Hello everybody! After an unbroken diet of "nice girl" roles, generally of a dead-end type, Audrey Dalton "wowed" the audience when her director handed her a role that puts her on the other side of the fence in a "bad girl" role, but an excitable one. Now a svelte, more sophisticated 22, Miss Dalton was 18 when a scout spotted her at London's Royal Academy of Dramatic Arts and imported her to Hollywood for "The Girls of Pleasant Island" and a two-year contract. Born in Dublin on January 21, 1934, the blue-eyed brunette is of American descent on her paternal side. Her father is producer Emmett Dalton, a native of Massachusetts. Two years ago the actress went back to England to make a picture and upon her return to this country took immediate steps to become a citizen of the United States. The actress is happily married to director James Brown, whom she met through Alan Ladd, a friend of her father's. The couple live with their two small daughters, Tara and Victoria, in fashionable Bel-Air, in an ultra modern hillside home. Thanks to labor-saving devices, which rate her unreserved praise, she runs her home and cares for her children without

Armory Dedication Reported To Board

A report on dedication of the new Glades Armory at Belle Glade for which County Commissioner Paul Rardin was master of ceremonies, was made to the county commission Monday by Commissioner Roy Michael.

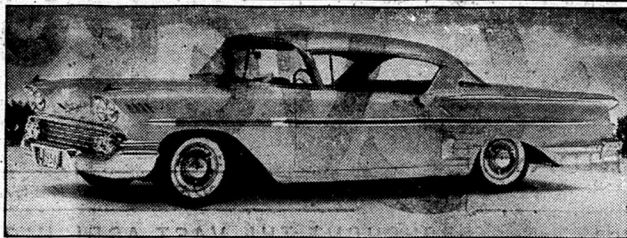

The new armory, which will house Company 1, 211th Infantry, was dedicated Sunday by county and state officials with Gen. Mark Lance, State Adjutant General making the principal address.

Sheriff John Kirk Able To Go Home

His many friends in the Glades will be glad to know that Sheriff John F. Kirk was discharged from Good Samaritan hospital Monday and taken to his home at 4428 29th St. by his son John Kirk, Jr. The sheriff was confined to the hospital nearly three weeks after suffering an attack of bronchial pneumonia. He is still under orders from his physician to rest at home for some time before returning to his duties.

Tops in Luxury

CHEVROLET INTRODUCES IMPALA

Chevrolet offers in its 1958 Bel Air series two Impala models, named after and strongly reminiscent of a "dream car" in the GM Motorama. This is the Impala sport coupe, distinctively styled from any angle, and setting a new standard for interior luxury in the low-price field. A new engine, new frame and two new suspension systems are but a few of the many chassis advances. Impalas are grouped with the Bel Air, one of four new series of Chevrolets this year.

NEW CHEVY STYLE FRESH, LIVELY

The side and rear treatment of the Biscayne four-door sedan points up the complete job of restyling on the 1958 Chevrolets. Note the broad, flat rear deck lid, the graceful gull-wing sweep of the rear fender line and the full-length moldings that mark the latest development in Sculptural styling. The Biscayne series is in the middle price range of the 1958 Chevrolet line.

Dick Pope And Wife Honored At Meet

LAKE WALES—There's a new name for Depot Street in Lake Wales. It has retitled Cypress Gardens Lane in honor of Dick Pope, guest of honor with Mrs. Pope at a special all-day "Dick Pope Appreciation" celebration sponsored by the Greater Lake Wales Chamber of Commerce.

Featured speakers at the program honoring the developer of Cypress Gardens included Francis P. Whitehair, DeLand attorney, and George Gardner, president of Northeast Airlines. Both were boyhood friends of Pope. A large plaque commemorating the observance was also presented to Mr. and Mrs. Pope.

Other guests included Senator and Mrs. Spessard Holland, State Senator Scott Kelly, State Representative Ray Mattox and director of public relations for Eastern Airlines, Fred Knight.

"Bud" To Be Made In Tampa Brewery

TAMPA — Anhauser-Busch, Inc. has selected a St. Petersburg contracting firm to head the construction of the new \$20 million Budweiser plant in Tampa.

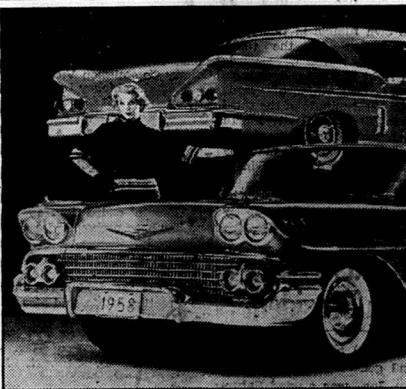

Mills and Jones will be general contractors for the plant which will be one of the most modern breweries in existence. Detailed plans will be announced later.

Anhauser-Busch, Inc. presently has three plants. In addition to its home office and brewery in St. Louis other breweries are located in Newark, N. J. and Los Angeles, Calif. The Tampa brewery will be situated in the same general area of the city as the Jos. Schlitz Co. brewery which is already under construction.

A turnstile believed to be the world's heaviest is at Coral Castle of Florida, 25 miles south of Miami. It is a triangular stone, set on a pivot, weighing three and a half tons.

Beauty Going Your Way

1958 CHEVROLET: Fore and Aft

Effectiveness of the 1958 Chevrolet styling is shown by this front-rear view of the Impalas, luxury models in the Bel Air series. The gull-wing sweep at the rear is a perfect complement for the fleet, flowing lines that begin with the fine-grid concave ribs of the grille. In addition to complete body redesign, the latest Chevrolets offer such features as Level Air suspension or all-round coil spring suspension, a more rigid frame and body and an unusual new V8 engine. Impalas top an offering of 17 models.

ACL Office Building Planned For Jax

JACKSONVILLE — The Atlantic Coast Line Railroad has authorized its engineering department to proceed with preparation of the site for its new 15-story office building in Jacksonville.

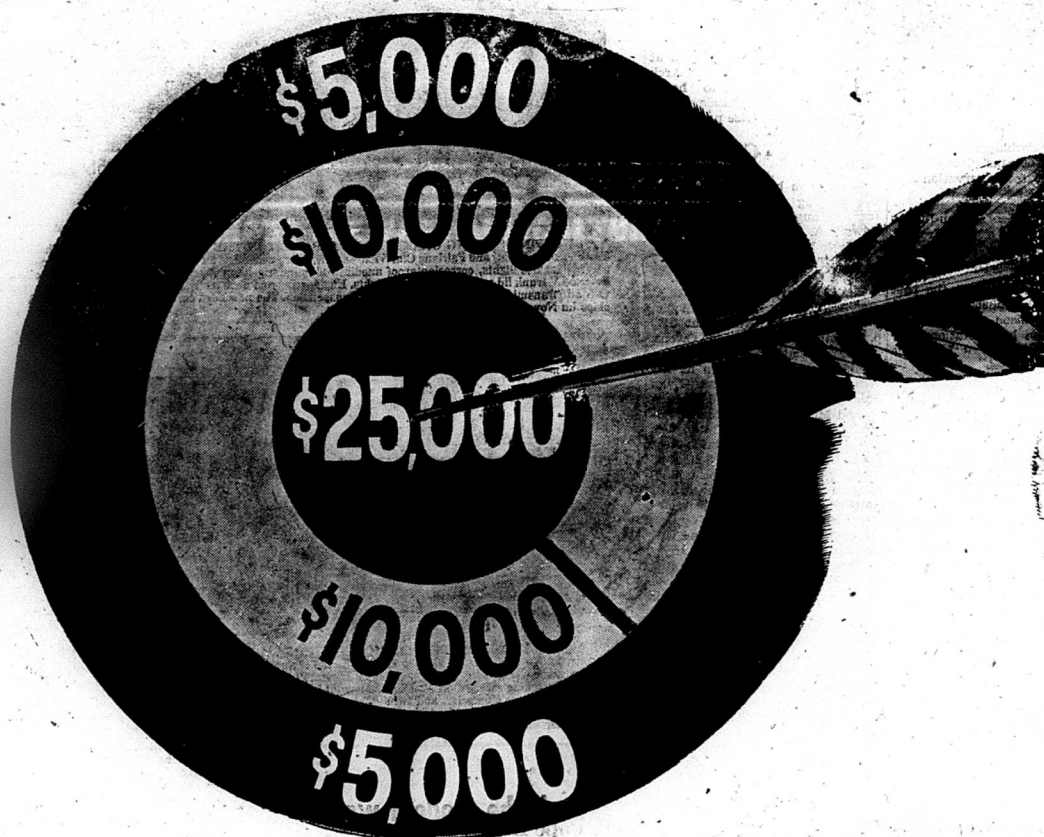

W. Thomas Rice, president of ACL, conferred with Mayor Haydon Burns recently, outlining plans for the development of city property in the area adjacent to the Coast Line building. The railroad hopes to have the building constructed and ready for occupancy by mid 1960.

Included in the \$13 million project is the 15-story building, constructed in the form of a wide V.

A four-story wing will project from the north side of the building and house the accounting department, cafeteria and kitchen and a massive lobby with offices and rental quarters. The building will contain approximately 475,000 square feet of floor space.

Mayor Burns assured President Rice of the warm welcome which Jacksonville hold out to ACL employees, and promised full cooperation in effecting the transition of headquarters from Wilmington, N. C., to Jacksonville.

Mr. and Mrs. William S. Plumer have as a guest her mother, Mrs. C. V. Hadley of Bellefontaine, Ohio. Mrs. Plumer entertained recently with a Coke party honoring her mother.

Pick your savings target and shoot straight for it!

A home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a "bull's-eye" and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do *more* than save through Payroll Savings. You *invest* your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you *before* you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. *That means a return of up to 80% more than you originally paid.*

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4448.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

SWEEPING STYLING CHANGES ARE APPARENT IN THE 1958 FORD CAR LINE. The Fairlane 500 Town Victoria (right) and Fairlane Club Victoria (left) share with all new Fords such dramatic styling changes as new safety dual headlights, corrosion-proof anodized aluminum grille, power flow hood, slip stream roof, sculptured inverted V trunk lid and twin safety taillights. Engineering and design advances include new engines, new Cruise-O-Matic transmission and optional Ford-Aire suspension. The new Ford car line will be on display at Ford dealerships on November 7.

A NEW AND EXPANDED LINE OF STATION WAGONS BY FORD, producer of the most popular wagons, is offered for 1958. New to the line is the six-passenger Fordor Ranch Wagon (above), one of Ford's six new models built on body shells entirely separate from the Ford passenger cars. Ford spent \$185,000,000 on changes, including safety dual headlights, new jet intake grille and massive bumper, sculptured metal treatment throughout the car's exterior, and twin safety taillights as well as a completely new power train from engine to axle, all-new Cruise-O-Matic drive and optional Ford-Aire suspension. The 1958 Fords will be displayed at all Ford dealerships beginning November 7.

Cook the modern way! Remember...

WIRE beats FIRE!

Here's why **ELECTRIC COOKING** beats all other methods:

CLEANEST—No soot to soil curtains, walls, pots and pans... housekeeping is easier.

COOLEST—Half as many heat units are required to do the job. Your kitchen stays cooler, you save on air conditioning—get greater comfort from smaller units at lower installation and operating costs.

SAFEST—No open flames, no fumes, no pilot lights... safe as electric lights.

FASTEST—New super-speed surface units and electronic ovens cook foods in record time.

CHEAPEST—It's cheaper to go all-electric than to use a combination of fuels in your kitchen-laundry.

Make your dream house come true! It's easy
—through Payroll Savings!

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative—continuously when held to maturity.

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,217.20!

So don't let down payments get you down. Meet your needs for ready cash the way more than 4 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

Christian Science Group Of Canal Point

The way to overcome sin through spiritual understanding of God, divine Love, will be set forth at Christian Science Services Sunday. Scriptural selections in the Lesson-Sermon entitled "Everlasting Punishment" will include Christ Jesus' parable (Luke 15) of the prodigal son who "wasted his substance with riotous living." Passages to be read from "Science and Health with Key to Scriptures" by Mary Baker Eddy include the following (242:15): "In patient obedience to a patient God, let us labor to dissolve with the universal solvent of Love the adamant of error, self-love, which wars against spirituality and is the law of sin and death."

The Golden Text is from Ezekiel (18:30): "Repent, and turn yourselves from all your transgressions; so iniquity shall not be your ruin."

Sgt. and Mrs. James E. Milton, who are stationed in Germany, are the parents of a fine boy born on Sept. 21. He has been named Joseph Will. Mrs. Milton is the former Mary Eleanor Jernigan, daughter of Mr. and Mrs. Will Jernigan now of Clewiston but formerly of Canal Point.

Mr. and Mrs. Alton Mills (Frances Compton) of Pahokee announce the birth of a son, Alton Dale, at the Everglades Memorial Hospital, October 22.

East Lake School New Addition

The Board of Public Instruction of Palm Beach County, will receive sealed bids for the erection and completion of the addition to East Lake Elementary School in Pahokee on Nov. 22, according to T. W. Knight, school board member. The successful bidder will be required to furnish a Performance Bond in the form prescribed for not less than one hundred (100%) per cent of the contract price.

Air Travel Shows 25 Pct. Increase

MIAMI BEACH—Increases up to 25 per cent in air passengers to Florida have been cited as an indication of another top season for the state this winter.

A recent survey by the Miami Beach Chamber of Commerce in the passenger transport fields reveals continued increase in equipment also to meet the demand for space.

Eastern Air Lines has predicted a 20 per cent increase; Delta Airlines' increase, this year over last season could reach 25 per cent, according to officials. Northeast Airlines is looking for a peak of 1200 to 1500 seats a day in and out of Miami alone.

The bus lines and railroads predict a similar increase. Atlantic Coast Line says southbound traffic beginning Nov. 15 looks good and Christmas holiday reservations are well in advance of last year. Florida East Coast Railways expects this year's winter business to be at least as good as last year.

Seaboard Airline Railroad has predicted an increase over last year and has already added additional cars to accommodate holiday visitors. Greyhound Lines has reported an increase of 10 per cent in inquiries for service information which should be reflected in an increase in passengers.

Trailways bus line is adding a fleet of buses to accommodate an eight to 10 per cent increase of passengers expected during the coming months.

Lake Liquors In New Building

Lake Liquors in Pahokee will move into a new home this week end. The store since its inception has been located in the Miller building next door to Jack Spencer's Market. The new building is located next door to the Miller building and was recently erected by Blanton and Unwin for Joe Kahn. The store has a handsome display room and in the rear are built comfortable living quarters for Mr. and Mrs. Pete Loreti. Mrs. Loreti operates the store.

NEW OFFICERS — Joffre C. David (left) Orlando was re-elected Secretary-Treasurer; Roy Vandegrift, Jr., Pahokee elected President and Rudolph Mattson Vice-President, of the Florida Fruit and Vegetable Association at the annual meeting of the Association.

Little Devils Lose To Belle Glade 11

The Pahokee and Belle Glade Junior High football teams battled it out on Lair Field Tuesday night with the junior Rams coming from behind to win, 20-7.

Pahokee scored in first quarter when its scabback, Morris Kennedy, knifed through the line from seven yards out for the TD and Doug Blanton plunged through for the extra point. Belle Glade evened the score in second quarter. It was nip and tuck until the final quarter when the visitors completely outplayed the Pahokee lads and forged ahead to win.

The next and final game on the Pahokee Junior High schedule is at Stuart the night of Nov. 12.

Brother Of Pahokee Man Killed In Dade

Perry Douthit, 55, was killed instantly Saturday night, Oct. 19, as he crossed US1 near his home in Kendall in south Dade County. The funeral was held the following Tuesday night at Philbrick Funeral Chapel in Kendall. The deceased was a brother of Robert S. Douthit of Pahokee who was in attendance at the funeral.

1150 Baptist Groups To Be Represented Pensacola Nov. 12-14

Dr. James Belote, Southern Baptist Foreign Missionary to Hong Kong, heads the list of out of state speakers for the Florida Baptist Convention at Pensacola, November 12-14, according to Dr. Vaughn M. Johnson, program chairman.

Messengers from the more than 1150 Baptist churches in Florida will gather to take up the business of the convention at the First Baptist Church, Pensacola. The Reverend J. Earl Stalling, pastor, First Baptist Church, Ocala, will preside over the convention. Dr. John Maguire of Jacksonville is the executive-secretary treasurer.

Baptists in Florida operate a children's home, the Florida Baptist Foundation, publish weekly the Florida Baptist Witness, ton-

tribute to Christian education and ministerial education, through Stetson University, and have recently accepted control of Baptist Bible Institute.

Reports will be made by the various departments and agencies of the convention, and the budget for next year will be adopted. Preliminary surveys show gains in all phrases of Baptist work in Florida. Reports from last year's convention indicate that convention churches had 388,000 members and it is anticipated that the total is now well over 400,000.

Other out of state speakers include Dr. Jack McGorman, Southwestern Baptist Theological Seminary, Ft. Worth. Dr. Frank Stagg, New Orleans Baptist Theological Seminary, New Orleans, Dr. Lealand Waters, Home Mission Board, Atlanta, Dr. Clifton J. Allen, Baptist Sunday School Board, Nashville, and Dr. Floyd B. Chaffin, Relief and Annuity Board, Dallas.

Lytal Named To Retirement Board

County Commissioner Lake Lytal was appointed a member of the board of trustees for the State and County Employment Retirement System Tuesday by State Comptroller Ray E. Green.

The board is made up of three county and two state officials. Because of Lytal's familiarity with the retirement plan as a member of the Florida Advisory Council, Green said, he felt the Palm Beach County commissioner will make an excellent trustee.

Lytal will be installed in office at a November organizational meeting in Tallahassee. — Palm Beach Post.

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.57 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,850.70 . . . and in 19 years and 8 months, \$6,372.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid
your interest as current income—
Invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

Now even better! Invest more in Savings Bonds!

Miss Lucille Margaret Grimaldi

Miss Grimaldi Is Wed To Donald Ray Crews On October 20

Miss Lucille Margaret Grimaldi, daughter of Mr. and Mrs. James Grimaldi, 716 N. E. 7th St., Hallandale, became the bride of Donald Ray Crews, son of William Crews of Fort Lauderdale and Mrs. John Werner of Canal Point, at a Sacred Heart wedding held in the Church of the Little Flower, Hollywood, Sunday, Oct. 20, at 4:30 p. m., with the Rev. Father John Atavey officiating.

The floral decorations included arrangements of white gladioli, red roses, red carnations and palms. Nuptial music was furnished by Sister Felix O. P.

The bride's gown of moonbeam taffeta was of her own design and made by Rose Savage of Hollywood. It had a fitted bodice and long torso, bolero effect, of imported Italian lace, cap sleeves and portrait neckline. The full bouffant skirt had a back panel of Italian lace falling gracefully into a cotillion train. The three-tiered fingertip veil of French illusion was attached to a princess crown encrusted with seed pearls. The bride carried a bouquet of white sweetheart roses and lilies of the valley, and a lace-covered prayer book, a gift from the groom.

Mrs. Edward McCarty of Miami Gardens, sister of the bride, as matron of honor wore a ballerina-length gown of scarlet red taffeta with long, fitted torso, bracelet-length sleeves and full bouffant skirt. Her hat was of matching taffeta and tulle and she carried a presentation arm bouquet of red carnations.

Diane McCarty and Elaine McCarty, nieces of the bride, were junior bridesmaids. They were dressed alike in gowns of white taffeta, designed by the mother of the bride, with fitted bodices and scalloped sweetheart necklines. They wore crowns of red and carried miniature presentation arm bouquets of red roses.

Richard McCall of Fort Lauderdale was best man. Edward McCarty, brother-in-law of the bride, and William Manner, Jr., were ushers.

The mothers of both the bride and groom wore gowns of brocade lame, that of the bride's mother accenting blue accessories and the groom's mother, violet accessories. Each wore an orchid corsage.

Mrs. Robert Milligan and Miss Dixie Dunbar were hostesses at the reception which followed the ceremony at Miss Dunbar's Steak House and Lounge in Hallandale. Miss Carolyn Crane of Hollywood was in charge of the guest book. Out-of-town guests included Mrs. H. L. Sears of Canal Point, grandmother of the groom, Mrs. Ethel Molnar of Union City, N. J., grandmother of the bride, Mr. and Mrs. H. H. Sears, Mrs. Pope Sears and daughter, William Crews, brother of the groom, Miss Beatrice Crews, Mrs. J. H. Miller and Mrs. H. W. Murphy.

Following a honeymoon in the mountains of North Carolina, the couple will reside at 720 N. E. 7th St., Hallandale, until January when they will make their home in Gainesville while he is attending the University of Florida.

Parking Meters Up—

(continued from page 1)
given to them by the city's building inspector.

Following a hearing on the proposed re-zoning of property owned by Don Hillier on East Main St., the Council adopted an ordinance that provided for the re-zoning of the lots from C-1, commercial, and R-1, residential, to I, industrial. A plastic products manufacturing firm from Wayne, Mich., plans to open a branch factory on the re-zoned property.

A written communication from the trustees of the Internal Improvement Board read at the meeting gave the city permission to use a tract of sovereignty land approximately 77 by 340 feet between Bacom Point Road and the Lake levee for city park purposes. With this permission granted, the Council voted to proceed with the execution of the contract with the County Board of Public Instruction for the purchase of the remainder of the land being used as a city park, approximately 340 by 375 feet, at a cost of \$10,200.

A petition by property owners fronting S. E. First Street in Venville subdivision to decrease the width of the street from 55 feet

to 45 feet when it is rebuilt was denied by the Council.

Louis Mims was re-appointed to represent the city on the tri-city Port Mayaca Cemetery Commission.

Because of an error in the original plans, it was voted to re-advertise for bids for the construction of a sewage disposal system and rest rooms on the levee to serve Pahokee Harbor.

It was announced the city's Insurance Board is meeting this week with local insurance agents to work out a program of city insurance.

Upon recommendation by City Attorney Ralph O. Johnson, it was voted that the city purchase a volume of the general acts and a volume of the special acts passed by the State Legislature in 1957.

The Council accepted a proposal from the County Board of Public Instruction for the swapping of school-owned and city-owned land in the area of the East Lake School and at the site of the Pahokee High School's new athletic field, the swap to result in the abandonment of land on school grounds originally dedicated to what is now considered unnecessary streets and the opening of new streets urgently needed in the city's traffic system.

Hotel reservations were authorized for City Clerk Patsy Batchelor to attend the meeting of the Florida League of Municipalities at Daytona Beach, Nov. 17-19.

W. H. Brewton was called to Statesboro, Ga., the past week by the death of his brother, Tom Brewton, who died at the Veterans' Hospital in Dublin, Ga.
